Spotlight

This special Spotlight edition focuses on online fraud and offers best practices for fighting this plague.

SHINING A
"SPOTLIGHT"
ON:

ONLINE FRAUD

INCLUDING:

P8 Villains of e-commerce
There is a new generation of fraudsters among us, and they know how to get through defenses.

P12 Market collision
Easily attainable tools facilitate cyber crime, but several strategies can interfere with incursions.

P16 Can privacy survive
The question is not whether individuals can keep information to themselves, but who can handle it.
